Subject: Request for portability of personal data

In accordance with the provisions of Article 20 of the General Data Protection Regulation (EU) 2016/679.

I HEREBY REQUEST that the personal data subject to processing concerning me be made available to me in a structured, commonly used and machine-readable format, in order to transmit it to another data controller, where the processing is carried out by automated means and is based on consent or a contract, except where the processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller. That, in exercising the right to data portability, the personal data be transmitted directly from the controller to the following controller (identification of the new controller), where technically feasible. That this request must be resolved and notified within one month of its receipt, for which I request that I be informed of the requested information or the reasons why access is not considered appropriate.

That in any case, I may lodge a complaint with the Spanish Data Protection Agency at aepd.es.
